

Why Employees Love Aflac

AFLAC supplements the out-of-pocket expenses: deductibles, co-payments, etc.

Plus, everyday living expenses that still must be met: Rent, mortgage, car payments, credit cards, etc.

- CASH BENEFITS: AFLAC pays cash benefits directly to the insured regardless of other insurance or other benefits collected in the event of sickness, injury, or disability.
- PORTABLE: Employees can keep the benefits even if they leave their current working place.
